A project for immigrant women
in Halberstadt

With our project „Frauen vor Ort“ (Women on the spot), we address immigrant and refugee women who live in Halberstadt. We accompany women and give them the opportunity to recognise their own abilities and potential as well as to boost their self-confidence and powers of self-determination. We regularly organise workshops, creative and sporting events, go on excursions, cook together or just get together to chat.

We see ourselves as a collaborative project, i.e. every woman can contribute her own ideas and also help to design projects or courses. Many things are possible!

You can work in a trusting atmosphere:

- » Meet other people and socialise
- » Participate in interesting workshops and other activities
- » Contribute ideas and help to shape them
- » Experience appreciation and support
- » Have fun

Become part of „Frauen vor Ort“
(Women on the spot) -
we are looking forward to seeing you!
